七年级英语作文100字：我最喜欢的动物

Among all the animals, my favorite one is the adorable panda. With its black eyes and fluffy black and white fur, the panda is undoubtedly the symbol of China.

Pandas are gentle creatures that feed on bamboo and live in high mountains areas. They spend most of their time eating and sleeping, which makes them appear lazy but adorable. What's more, pandas are endangered species, so they need our protection.

In short, pandas are not only cute and lovable, but also represent the beauty of our motherland. I hope more and more people will take action to protect these lovely creatures.

在所有的动物中，我最喜欢的动物是可爱的大熊猫。它黑黑的眼睛和黑白相间的茸茸皮毛，无疑是中国的象征。

大熊猫是温顺的生物，以竹子为食，生活在高山区。它们大部分时间都在吃和睡觉，这使得它们看起来懒散但可爱。更重要的是，大熊猫是濒危物种，所以它们需要我们的保护。

总的来说，大熊猫不仅可爱、令人喜爱，还代表着我们祖国的美。我希望越来越多的人会采取行动来保护这些可爱的生物。
